SURVEY**

RESULTS 2024

ABOUT

Together with the partners Medienmarketing Sanders, Event Rookie, Mothergrid and the TPI Magazine our foundation launched an online survey on LinkedIn about innovations in sixteen different fields of the entertainment technology industry.

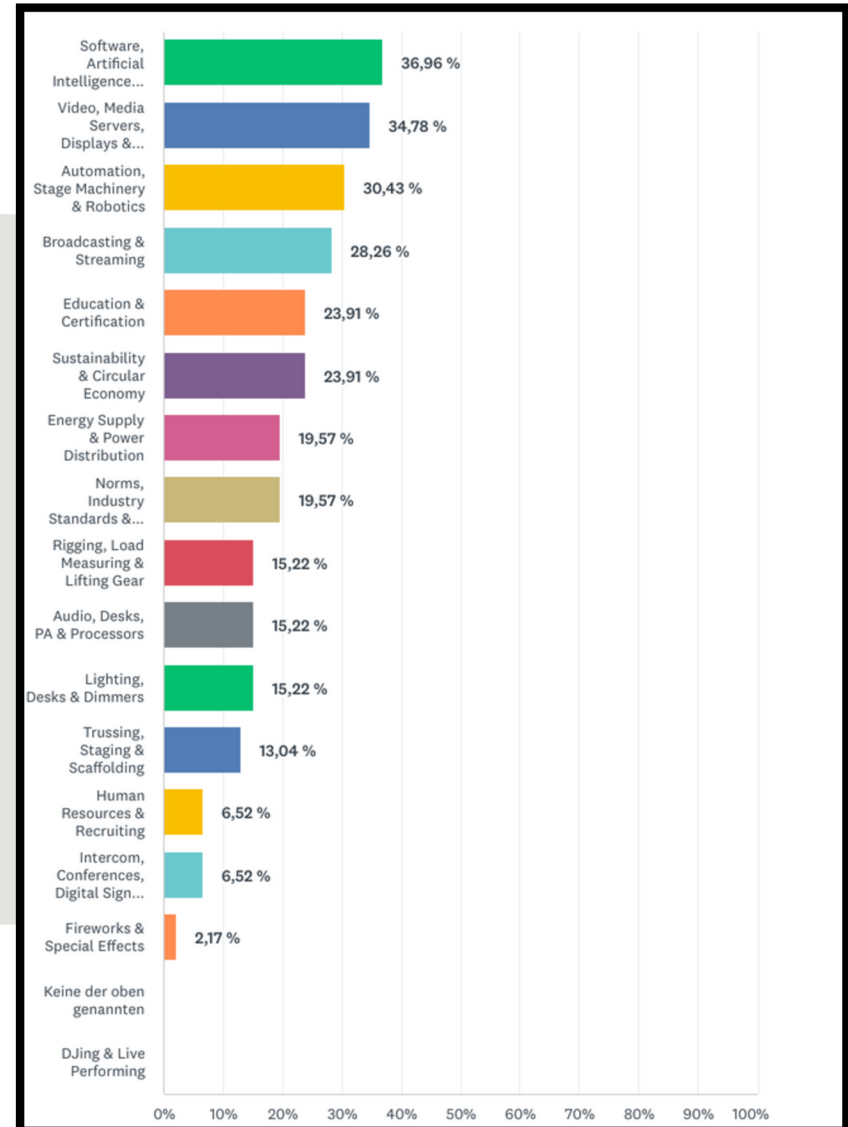

We asked four questions about the key fields and received nearly 200 answers from international professionals such as from Europe, Middle East, United States, India or China.

Many thanks for all participants!

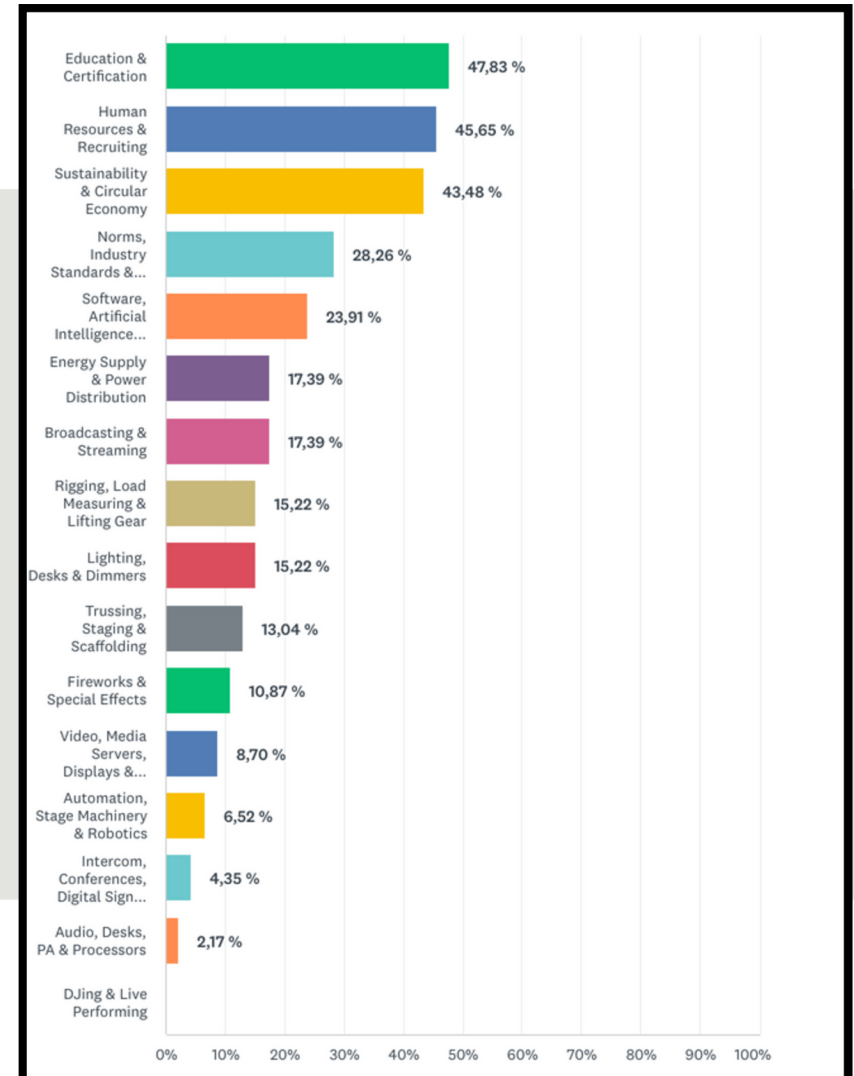

IN WHICH FIELDS OF STAGE TECHNOLOGY DO YOU SEE THE MOST INNOVATION?

Multiple answers were possible

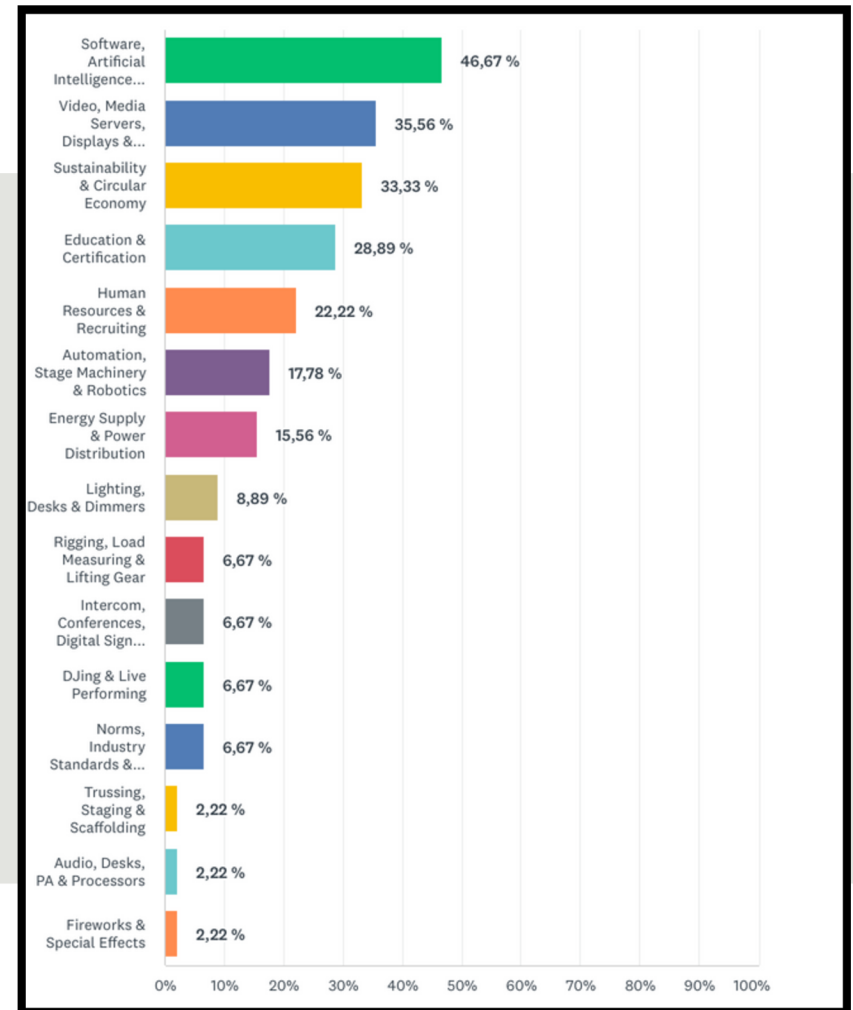

IN WHICH FIELDS OF STAGE TECHNOLOGY ARE MORE INNOVATIONS NEEDED?

Multiple answers were possible

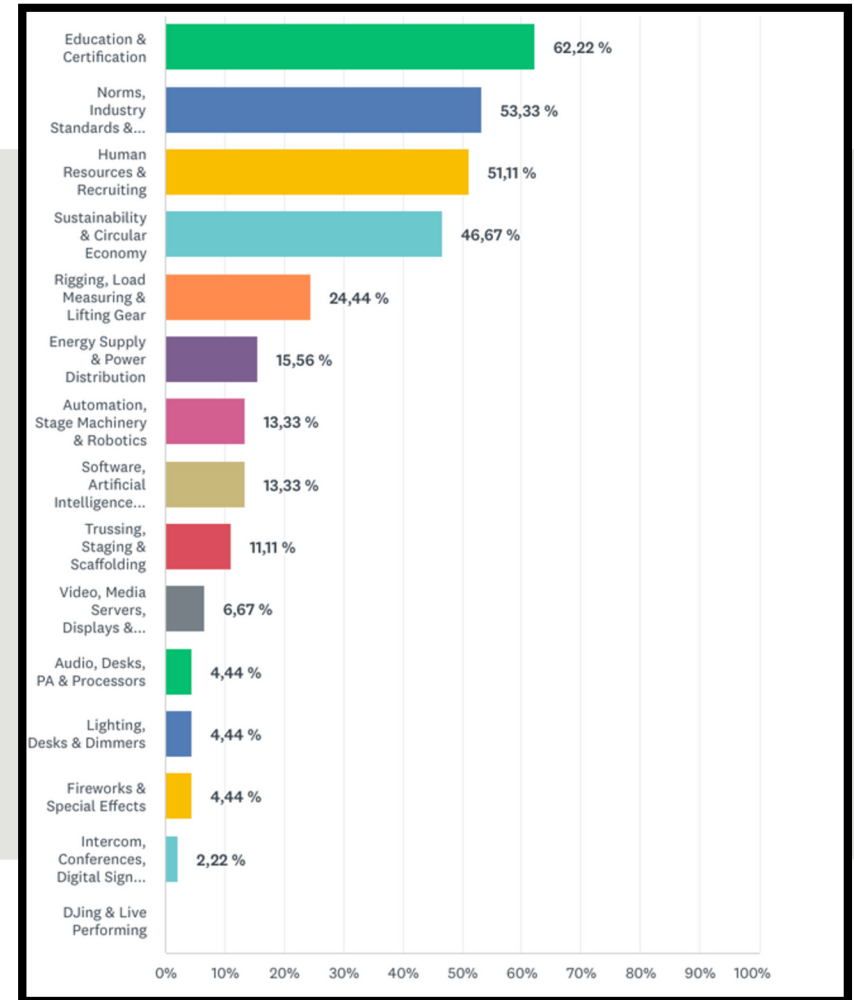

WHICH FIELDS COULD BECOME INNOVATION LEADERS IN THE SHORT TO MID TERM FUTURE?

Multiple answers were possible

FOR WHICH FIELDS OF STAGE TECHNOLOGY SHOULD THERE BE MORE OFFICIAL SUPPORT?

Multiple answers were possible
